

Directions: Adults take two capsules twice daily with meals or as directed by your healthcare practitioner.

L-Arginine is a semi-essential amino acid that is often found at the active (or catalytic) site in proteins and enzymes.* It plays several roles in the body which may include vasodilation, wound healing (through an increase in protein synthesis), immunity to illness, cell division, removal of ammonia from the body and the secretion of important hormones.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any diseases.

CAUTION: Keep out of reach of children. If you are pregnant or nursing, consult your healthcare practitioner before use.

STORAGE: Keep tightly closed in a cool, dry place. Keep away from direct sunlight.

CONTAINS NO: Wheat, corn, yeast, soy, animal or dairy products, artificial colors, sweeteners or preservatives.

 **Gluten Free**
