♻️ Farm fresh Kauai ginger root gives these B12 gummies a distinctive, **real** ginger flavor.

Our MegaFood gummies are made with **real food** sourced from **family farm partners**, and added B12, to deliver a range of health-promoting compounds—**no** high fructose corn syrup, gelatin, added flavors, colors or preservatives of any kind. Satisfaction guaranteed or your money back.

Kauai Organic Farms is a family owned and operated farm on the North Shore of Kauai. "We farm organically because it's simply a better way to farm and we keep chemicals out of the groundwater. At the end of the day we have confidence we are using the best farming methods to preserve this beautiful island we call home."
