

PROMASIL™ is a unique combination of 7 high-quality protein sources that results in the perfect amino acid profile for stimulating muscle growth. The 7 protein sources found in **PROMASIL** ensures that your muscles are provided with immediate and long-lasting enhancement of whole-body amino acid and nitrogen balance. On top of that, **PROMASIL** is built with no estrogenic protein and nano-partitioned for enhanced biological value, which results in maximum protein synthesis and retention. **PROMASIL** even includes beta-alanine which further aids in building muscle and functional strength. By simply adding delicious **PROMASIL** shakes to your diet you'll quickly experience incredible muscle growth and maintenance of lean mass while dieting for fat loss.*

Recommended Use: Dr. Darren Burke (PhD) recommends 1-2 scoops with 250 ml of water immediately after exercise. On non-training days, take 1 scoop in the morning and 1 scoop at bedtime. For best

Seven Sources of Protein

Warning: Consult a physician before using if you are unaware of your current health status, if you have a medical condition, or if you or your family has a medical history of cardiovascular disease, diabetes, psychological disorders, hormonal abnormalities, or if you are taking any prescription drug. Do not exceed maximum daily dosage. Do not use if safety seal is broken. Contains ingredients derived from milk. **KEEP OUT OF REACH OF CHILDREN.**
