

Directions: As a dietary supplement, take two caplets once daily, or as directed by a healthcare practitioner.

Bluebonnet's Targeted Choice® Joint Support Caplets are specially formulated with sustainably harvested or wildcrafted herbal extracts, such as turmeric root and white willow bark. Identity-preserved (IP) vitamin C, type II collagen with hyaluronic acid, glucosamine, chondroitin, and OptiMSM® were also integrated into this formula to optimize joint function by maintaining healthy cartilage, tendons and ligaments. Available in easy-to-swallow caplets for maximum assimilation and absorption.♦
