

Directions: As a dietary supplement, take one vegetarian capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Standardized St. John's Wort Flower Extract Capsules

contain a standardized extract of hypericin, the most researched active constituent found in St. John's Wort. A clean and gentle water-based extraction method is employed to capture and preserve St. John's Wort's most valuable components.

Available in easy-to-swallow vegetable derived capsules for maximum assimilation/absorption and for a truly vegetarian/vegan formula.

Bluebonnet's KOF-K Certification #K-0000700

CAUTION: Consult your healthcare practitioner prior to using this product if you are trying to conceive, pregnant, nursing, taking medication, particularly cognitive drugs and blood thinners, or have a medical condition.
