This product should be used for no more than two weeks at a time.

Colon Support is a complete two-week program designed to naturally flush the body with all the essential digestive support ingredients.[†] Apple and citrus pectin provide plant sources of fiber, while Cascara sagrada, magnesium, Marshmallow root and Slippery Elm bark act as natural laxatives for occasional constipation.[†] Fructooligosaccharides (FOS) support the cleansing process and supply the fuel used by beneficial colonic bacteria.[†] This single product eliminates the need to take multiple combinations of formulas. This is a psyllium-free formula.

Notice: This product contains Cascara Sagrada. Read and follow directions carefully. Do not use if you have or develop diarrhea, loose stools, or abdominal pain because Cascara Sagrada may worsen these conditions and be harmful to your health. Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medications or have a medical condition.
