

Suggested usage: 1 capsule 1–6 times per day or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Morinaga BB536 is a proprietary room-temperature stable strain of *Bifidobacterium longum*. It is one of the world's most researched and effective probiotic strains, supported by over 50 published human clinical studies, and is Japan's top-selling probiotic. Levels of *Bifidobacterium* decline with age, making supplementation important. Source of probiotics. Helps support intestinal/gastrointestinal health.* Could promote a favorable gut flora.* Helps support healthy immune system function in senior citizens.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.
Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken.
 For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

*Guaranteed minimum 10 billion active cells per capsule at expiry date.

*Guaranteed minimum 12 billion active cells per capsule at manufacture date.
