

Directions: As a dietary supplement, take one vegetable capsule daily, preferably with a meal or as directed by a healthcare practitioner.

Bluebonnet's Advanced Choice® Ladies' SingleDaily® Probiotic Capsules supply 10 billion viable cultures at time of manufacturing for optimal digestive and immune health from 7 DNA-verified, scientifically supported strains that also help maintain healthy vaginal and urinary tract flora. Plus, this unique, science-based probiotic formula is infused with cranberry fruit extract to further promote urinary tract health. Available in easy-to-swallow vegetable capsules for maximum assimilation and absorption.♦
