

Suggested usage: Add 1 scoop (27 g) to 180 ml (or 1 cup) of water and shake in a shaker cup. Use 1 scoop, 1–2 times daily with food or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Whey Factors is a pure source of high quality whey protein that provides support for muscle development and repair, as well as the immune system.*

- Whey Factors – the best tasting and highest quality whey protein – also available in these delicious flavors: Double Chocolate, French Vanilla, and Very Strawberry. Also available in Unflavored.
- Highly efficient, undenatured, microfiltered and ultrafiltered whey from grass-fed cows – free of rBGH, BSE, and GMOs
- Contains a minimum 3 g glutamic acid and 4 g branched-chain amino acids (BCAA) per serving
- Provides beneficial whey protein microfractions including immunoglobulin and lactoferrin
- Naturally sweetened and flavored – no artificial sweeteners, i.e. no aspartame, sucralose, acesulfame K
- 3 g carbohydrates per serving
- Mixes instantly

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no starch, wheat, gluten, yeast, soy, egg, fish, shellfish, tree nuts, or GMOs. Suitable for vegetarians. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
