

SELENIUM

Selenium is one of the most efficient antioxidants. It prevents cellular and subcellular lipids and fats from being peroxidized, or becoming rancid. Selenium is also instrumental in supporting both a healthy immune system and cardiovascular system.

Mixing Instructions: Mix with 8 to 10 ounces of juice or water.

In processing, FDA & GMP guidelines are observed and strictly followed.

Disclaimer: This product is not intended to diagnose, treat, prevent or cure any disease.
