

To lose fat you have to "burn" calories. Problem is, "burning" calories requires you to raise your body's core temperature and that's not easy to do without exhausting strenuous workouts and strict dieting. StimuKal® is designed to be the all in one solution to raise your core body heat and burn more calories while giving you the "feel good" long lasting clean energy to power through your day while eliminating those pesky food cravings. Best of all, StimuKal's adenosine & dopamine signaling components optimize your body's response to keep the fat burning consistent day after day.¹

Increases core temperature for maximum calorie burn¹

"Feel Good" clean energy & focus¹

Suppresses appetite & cravings¹

Targets burning of stubborn body fat¹

WARNING: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not consume with other stimulants or products containing stimulants. Contains caffeine. Consult with your physician prior to use if you are pregnant or nursing, or if you are taking medication, including but not limited to MAO inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs or products containing phenylephrine, ephedrine, pseudoephedrine or other stimulants. Those who have or may have Ulcerative Colitis, Crohn's Disease, Diverticulosis, Diverticulitis, Irritable Bowel Syndrome, Ulcers, Peptic Ulcers and/or Gastroenteritis, should consult your physician prior to use. Consult your physician prior to use if you have a known medical condition. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience any negative side effects, severe headache, or other unusual symptoms. The consumer assumes total liability of this product if used in a manner inconsistent with label guidelines. Store product at room temperature. Do not expose to excessive heat and moisture.

CALIFORNIA RESIDENTS ONLY:

WARNING: Consuming this product may expose you to chemicals including lead, which are known to the State of California to cause birth defects or other reproductive harm.
