

Directions: As a dietary supplement, take one vegetable capsule daily, preferably with a meal or as directed by a healthcare practitioner.

Bluebonnet's Advanced Choice® SingleDaily® Probiotic Capsules supply 50 billion viable cultures at time of manufacturing for optimal digestive and immune health from 20 DNA-verified, scientifically supported strains to help maintain healthy intestinal flora. Plus, this unique, science-based probiotic formula contains the prebiotic inulin, a natural source of fructooligosaccharides from chicory root extract, to assist the growth of friendly bacterium in the gut. Available in easy-to-swallow vegetable capsules for maximum assimilation and absorption.♦

Advanced Choice® and SingleDaily® are registered trademarks of Bluebonnet Nutrition Corp.

WARNING: For adults only. Consult your healthcare practitioner if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
