

Directions: Take two capsules daily or as directed by your healthcare practitioner.

Methyl-Folate Optimizer™ is a comprehensive formula designed to support optimal methylation and homocysteine levels.* The 5-MTHF in this formula, Quatrefolic® is the most biologically active form of folate, allowing rapid uptake into the bloodstream.* Vitamin B-12 is also provided in its active form, methylcobalamin, to further support methylation and healthy homocysteine levels. Numedica® has included its Advanced Absorption Technology™ - a proprietary blend of AstraGin™ and BioPerine®.* Clinical studies have shown the components of this proprietary blend to increase folate absorption by up to 50.4%.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

CAUTION: Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

CONTAINS NO: Wheat, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners or preservatives.

This Formula Meets or Exceeds cGMP Quality Standards.
