FruiteX-B®

FruiteX-B® Calcium Fructoborate is a registered trademark of USP Patent-Celestis, Inc. FruiteX-B® Calcium Fructoborate is manufactured under US Patent #1,962,940 and pending foreign patents. Used under license from USP Patent-Celestis, Inc.

HOW DOES MOVE FREE® WORK?

Move Free® Advanced supports 5 signs of joint health: mobility, flexibility, strength, lubrication and comfort so you can do the things you love.*

Glucosamine

Glucosamine is key for the formation of cartilage, an essential building block of your joints. Glucosamine also supports the mobility and flexibility you want in everyday life.*

Chondroitin

Chondroitin is a building block of cartilage that supports joint strength by helping to resist compression in the joint. Chondroitin attracts fluid to your joints to support cushioning and lubrication.*

Uniflex® [or FruiteX-B Calcium Fructoborate]

Uniflex® is a clinically tested mineral complex that supports joint comfort in as little as 2 weeks*.*

Joint Fluid [or Hyaluronic Acid]

Hyaluronic Acid is the same molecule found in healthy joint fluid that supports joint lubrication and smooth movement. As we get older, our levels of HA tend to decrease.*

1 J Aging Res Clin Prac 2014; 3(4):223-228.

DIRECTIONS: Adults take two (2) tablets once a day with a meal OR one (1) tablet twice daily with meals.
