

Complete H₂O Minerals

Indium has a beneficial effect on the thyroid gland. Indium provides an energy boost to most people who supplement it in their diet. With the addition of chromium. The two major effects that indium has are its ability to help the body assimilate other important nutrients and its ability to increase the life span of red blood cells.

Mixing Instructions: Mix with 8 to 10 ounces of juice or water.

In processing, FDA & GMP guidelines are observed and strictly followed.
