

Directions: Take one full dropper (20 drops) daily or as directed by your healthcare practitioner.

Micellized D₃ + K₂TM is a soy-free, natural vitamin D₃ and vitamin K₂ in a water-soluble micellized form. Micellization greatly increases the solubility, absorption and bioavailability over oil or emulsified forms.* Natural vitamin K₂ (as MK₇) supports enhanced utilization of calcium in the bloodstream.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.
