

Another bottle kept out of the landfill

Bio-Balanced Bone Matrix System provides targeted, bioavailable nutrient support needed for healthy bone building and repair. Unique formulas deliver Food-Based, Calcium/Magnesium ratios with targeted vitamins and minerals, supports healthy bone building for individual lifestyle needs.

Scientifically Advanced bone strengthening formula for building strong bones and maintaining bone density.

Bioavailable Nutrient Support from 1,000 mg calcium, 1,000 IU Vitamin D₃, and 500 mg magnesium (necessary for bone formation), manganese to support bone growth and formation, and boron to aid in reducing the excretion of calcium and magnesium.

Natural K₂ therapeutic dose increases calcium deposition and mineralization within the bones. K₂ also helps to prevent and inhibit bone breakdown and arterial calcification.

Digestive Support parsley and Betaine HCl support healthy digestion and aid in the ionization of minerals for best utilization.

SUGGESTED USAGE: Four tablets daily with or between meals.

GUARANTEE: 100% Natural – Free of artificial colors, flavors, sweeteners, preservatives and other objectionable additives often found in vitamin products. Contains no sugar, lactose/dairy, wheat, gluten or yeast.
