

The Circulation Superfood!

Country Farms® Bountiful Beets – the Circulation Superfood – brings the power of pure beets to life in a delicious, convenient drink mix. Bountiful Beets is bursting with health building nitrates to help boost your body's natural production of nitric oxide. What's nitric oxide? It's the critical compound and master regulator of your cardiovascular system. When taken on a daily basis, Bountiful Beets will naturally boost energy and improve stamina.†

To supercharge your intake of dietary nitrates and boost your energy, incorporate Bountiful Beets into your daily nutrition regimen. Each individual serving is equivalent to 3 beets. Enjoy this delicious beet powder mixed with water or add to your favorite smoothie to improve your energy levels and overall health and well-being!‡
