

Doctor's Select NUTRACEUTICALS

Doctor's Select WEIGHT LOSS 4[®] delivers the key, breakthrough weight loss ingredients you've been reading and hearing about in one, convenient supplement. Doctor's Select WEIGHT LOSS 4[®] removes the confusion of how you can benefit from the latest medical and nutritional discoveries to increase the metabolism, help burn body fat, satisfy hunger and reduce the body's use of carb calories.[†]

Doctor's Select WEIGHT LOSS 4[®] features:

MATCHA TEA

Matcha can help support metabolism while boosting energy.[†]

GARCINIA CAMBOGIA EXTRACT

Garcinia Cambogia (HCA) is known for its appetite suppressing qualities and can also help provide natural energy.[†]

PROBIOTICS & PREBIOTIC FIBER

Probiotics are "good" bacteria that help to support healthy digestion. When probiotics and prebiotics are combined, they form a symbiotic for optimal benefit.[†]

GLUCOMANNAN

Glucomannan is made from the Konjac root, also known as konnyaku. When taken with water, glucomannan expands in your stomach, forming a gel that can help you to feel full faster. This may result in less fat calories absorbed, helping you to reach your weight loss goal quicker.[†]

- Keep out of reach of children.
- Store in a cool, dry place.
- Protect from heat, light and moisture.
- Do not use if inner seal is broken.
