DIETARY SUPPLEMENT
365 TABLETS

Iron
65 mg
Equivalent to
325 mg Ferrous Sulfate[†]

Vital for
Red Blood Cell
Formation[†]

† This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Iron is an essential part of hemoglobin, the protein substance which enables red blood cells to carry oxygen through the body.[†]

For adults with iron deficiency, 5% of Americans have inadequate intakes of iron.*

Color derived from Natural Source-No Synthetic Dyes

No Artificial Flavors • No Preservatives • No Yeast or Starch • Gluten Free

SUGGESTED USE: Adults, for iron deficiency, take one tablet daily. For easier swallowing, take with water before and during ingestion. Taking with a meal may minimize the possibility of stomach upset.

Store in a cool, dry place.

For your protection, do not use if imprinted seal under cap is broken or missing.
