

Primary studies have shown that Wasabia Japonica may help induce Phase 1 and Phase II Liver Detoxification which removes toxic substances that are stored in the liver's fatty tissues.

Warning: If you are pregnant, may become pregnant, or breast-feeding, consult your Health care Professional before using this product. People with acid reflux or intestinal cystitis should discontinue use if discomfort occurs. Store in a cool dry place.

Directions: Take 2 capsules daily before bedtime with 8 ounces of High Energy Water.
