

# Go Less, Worry Less:

The Safe, Drug-Free Way to Maintain Bladder Control in 2 Ways:

## AZO

Bladder Control — Go-Less<sup>®</sup>  
& WEIGHT  
MANAGEMENT

### You can take control with AZO Bladder Control<sup>®</sup> & Weight Management

Frustrated that that feeling of having to go to the bathroom often or dealing with occasional urgency? Did you know that weight can contribute to occasional bladder control issues?

There is hope.

Instead of worrying about your next bathroom break, take control with **AZO Bladder Control<sup>®</sup> & Weight Management**: a drug-free daily supplement with ingredients that safely help reduce the urge to go to the bathroom and help manage your weight.\*

#### How is AZO Bladder Control<sup>®</sup> & Weight Management different?

The naturally-sourced blend of ingredients in **AZO Bladder Control<sup>®</sup> & Weight Management** help to support your bladder in 2 WAYS, so that you can feel in control day and night:

- 1** Go-Less<sup>®</sup> Helps Maintain Urinary Control  
 Go-Less<sup>®</sup> with pumpkin seed and soy germ extracts, supports bladder health to help control the need to go to the bathroom and reduce occasional urgency.
- 2** Syntrem<sup>®</sup> CQ Helps Manage Weight<sup>†</sup>  
 Clinically studied Syntrem<sup>®</sup> CQ from the *Cissampelos quadrangularis* plant, supports serotonin balance and helps promote metabolic health for healthy weight management.\*

The result is a safe and effective way to maintain bladder control that has inside out. For best results, on-going daily use is encouraged.
