Other Ingredients: Soybean Oil, Gelatin, Glycerin, D-Water, Yellow Beeswax, Lecithin, Annatto Extract, Titanium Dioxide, FD&C Red #40, and FD&C Blue #1.

CAUTION: Contains Soy, Fish Oil, FD&C Red #40, and FD&C Blue #1.

DESCRIPTION: Virt-PN DHA is a prescription prenatal/postnatal multivitamin/mineral dietary supplement with fish-based DHA and should be administered under the supervision of a licensed medical practitioner.

DOSE AND ADMINISTRATION: Before, during and/or after pregnancy, one softgel daily or as directed by a licensed healthcare practitioner regardless of lactation status.

CAUTION: Ingestion of more than 3 grams per day of omega-3 fatty acids (ALA, EPA, and DHA) may have potential antithrombotic activities, or effects, and may increase bleeding times. Administration of omega-3 fatty acids, including DHA, should be avoided in patients with inherited or acquired bleeding diatheses, including those taking antithrombotics. Exercise caution to ensure that the prescribed dosage of DHA does not exceed 1 gram (1000 mg) per day.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. **KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.** In case of accidental overdose, call a doctor or poison control center immediately.

CAUTION: High levels of folic acid may, especially in older adults, hide signs of Vitamin B-12 deficiency (such as pernicious anemia), a condition that can cause nerve damage.

STORAGE: Store at 20° to 25°C (68° to 77°F). Excursions permitted to 15° to 30°C (59° to 86°F). Protect from light and moisture. Dispense in a tight, light-resistant container. Call your licensed medical practitioner about side effects. You may report side effects by calling Virtus at 1-888-848-3593 or FDA at 1-800-FDA-1088.

HOW SUPPLIED: Supplied as oblong, annatto-colored softgel, imprinted "340" and dispensed in 30 count bottles.
