

100% RAW ORGANIC AGAVE INULIN POWDER

Our nutritious, fiber-rich powder is extracted from 100% organic agave tequilana, a species of blue agave native to Mexico. This raw powder is a healthy and natural way to mildly sweeten a favorite recipe, and because it is low-glycemic, it does so without spiking your blood sugar. Organic agave powder also works as a prebiotic to support good bacteria in the gut for overall digestive health.†
