

RAW BEE POLLEN POWDER

Bee pollen is the pollen ball packed by worker bees, and is the food of the young bee. It is often called "nature's perfect food," and is considered a highly nutritious superfood and a source of essential amino acids, which are the building blocks of protein. Bee pollen provides unique health benefits, including energy and youthful vitality. Our powder is raw (unprocessed) in order to maintain maximum nutrient potency and superior quality†

Raw • Vegetarian • Non-GMO • Gluten-Free
