OsteoV SC™

OsteoV SC™ is an all-natural strontium citrate supplement that is clinically proven to increase bone mineral density when combined with the plant calcium, minerals and bone supporting nutrients found in NuMedica's Osteo Vegan™ Rx. Strontium, a trace mineral found in seawater and soil, is a mineral with similar properties to calcium. Research has shown that strontium may play a role in the formation of osteoblasts, new bone forming cells, while at the same time slowing the breakdown of old bone by inhibiting osteoclasts.*

This formula utilizes NuMedica's Advanced Absorption Technology™ – a unique blend of AstraGin™ and BioPerine® – for maximum effectiveness. This proprietary technology is clinically proven to enhance absorption of amino acids, vitamins and glucose in intestinal cells.* AstraGin™ is shown to increase folate absorption by up to 50.4% and ATP production by up to 18%.* Most nutrient absorption occurs in the intestines. Vitamins, minerals and glucose are transported through your intestine into your bloodstream by specialized transporter molecules. Lifestyle factors and age both contribute to declining absorption. AstraGin™ has a positive influence on these specialized transporter molecules which, in turn, increase absorption of many critical nutrients.* Studies have shown that the ingredients in this proprietary blend have a positive impact on bone mineral density and the reduction of bone loss.*

Directions: Take three capsules in the evening on an empty stomach or as directed by your healthcare physician.

K_2 NATURAL VITAMIN K2 AS MK7

QUATREFOLIC® 5-MTHF

gluten free · soy free

† Up to 4.33% per year / Results will vary / Best when combined with OsteoV SC™

Osteo Vegan™ Rx

Osteo Vegan™ Rx is an advanced, professional grade, plant-sourced calcium and bone building formula exclusively available through healthcare professionals.* In two human clinical studies, patients who supplemented with Algas calcareas, the main component of Osteo Vegan™ Rx, along with proper diet and exercise, increased bone mineral density up to 4.33% in just one year.* The highly specialized plant calcium in Osteo Vegan™ Rx is micronized to ensure optimal absorption by delivering the perfect particle size. It is a certified organic wholefood with over 70 naturally occurring trace minerals and phyto-nutrients. Since the calcium in this formula is an all-natural, GRAS certified, plant-derived wholefood, it does not have the potential negative effects on arterial calcification that non-food based calcium supplements have.*

Additionally, NuMedica® has selected a proprietary, clinically effective plant-derived form of D3. Vitamin D3 is essential for bone health and intestinal calcium absorption. Osteo Vegan™ Rx includes an all trans-natural, patented form of K2 as MK7, which has been shown in human clinical studies to increase osteocalcin (calcium-binding protein) levels, enhancing the body's ability to utilize calcium in the bloodstream.* Patented Albion® magnesium is included for its superior absorption compared to other forms such as magnesium carbonate.* This formula contains a broad spectrum of other bone-supporting nutrients and utilizes our proprietary Advanced Absorption Technology™ – a blend of AstraGin™ and BioPerine® – for maximum effectiveness.* For best results, use with NuMedica's OsteoV SC, an essential bone support formula.*

Directions: Take three capsules with breakfast and three capsules with lunch, or as directed by your healthcare practitioner.

Osteo Vegan™ Rx Supplement Facts

Serving Size: 6 Capsules Servings Per Container: 30

	Amount	%DV*
Vitamin C (magnesium, potassium and calcium ascorbate blend)	60 mg	100%
Vitamin D-3 (cholecalciferol) (plant-derived)	2,000 IU	500%
Vitamin K2 (natural vitamin K2 as MK7)	100 mcg	125%
Folate (6S-5-methyltetrahydrofolic acid, glucosamine salt)	400 mcg	100%
Vitamin B-12 (methylcobalamin)	100 mcg	1,667%
Calcium (from Algas calcareas [AlgaeCal® Select])	800 mg	80%
Magnesium (from 6-magnesium malate, TRAACS® magnesium lysyl glycinate chelate and Algas calcareas [AlgaeCal® Select])	400 mg	100%
Phosphorus (as dicalcium phosphate)	200 mg	20%
AstraGin™ Absorption Enhancer (notoginseng root extract and astragalus root extract)	25 mg	**
Silica (bamboo powder extract)	15 mg	**
Boron (as bororganic glycine)	3 mg	**
BioPerine® (from piper nigrum/black pepper extract)	2.5 mg	**

* Percent daily value based on a 2,000 calorie diet.
** Daily Value not established.

Other Ingredients: HPMC (vegetable capsule), AlgaeCal® Select (professional grade, certified organic and GRAS marine algae wholefood complex with over 70 naturally occurring trace minerals and phyto-nutrients), MCC (microcrystalline cellulose), rice flour, ascorbyl palmitate, silica.
Free of: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.
Caution: Keep out of reach of children.
Storage: Keep tightly closed in a cool, dry place.
This Formula Meets or Exceeds cGMP Quality Standards.

Suitable for Vegetarians
