

Eating Right Isn't Enough Anymore

We do not maximize the benefits of eating right or taking supplements because they are so hard for us to digest. Using Fulvic Minerals solves this problem because of its digestive enzymes. Fulvic Minerals change inorganic nutrients to organic nutrients. Putting the Minerals in a glass of water before or with meals will aid in weight loss and better digestion. Say "Good-bye" to acid indigestion after a meal.

Our bodies are composed of 50 trillion cells, and without Fulvic Minerals the electrolytes in the cells are compromised, lowering our energy and immune system. Electrolytes and Amino Acids are the spark plugs for life and anti-aging.

Creation Mineral Boost is supercharged with bio-rhythms to protect our body from EMFs and scanning. Some benefits are:

- Reduces Stress
- Anti-Aging
- Weight-Loss
