

Kidz Protein Power = Pure Protein, Pure Quality, Pure Results.

Pure Kidz Protein Power

Searching for a healthy protein shake for your children can be overwhelming. With hundreds to choose from, which one is best? Pure Kidz Protein Power is a blend of 99% lactose free and rBST free Whey Protein Concentrate, Whey Protein Isolate, Organic Pea Protein Isolate, Organic Rice Protein, and Glutamine for recovery. Pure Kidz Protein Power also contains Microlactin™ that has been clinically proven to promote healthy joint function and flexibility. This all natural protein blend is free of chemicals, artificial sweeteners, GMO's and food dyes.

Why Supplement Protein?

Protein is one of the main building blocks for the human body. Protein builds, maintains, and replaces tissues in your body. The bodies organs, muscles, and immune system are mostly made

of proteins. If your child isn't getting enough protein through foods, supplementing with a protein shake can be part of a healthy diet.

Convenience

Kids face a world of choices when it comes to snack foods and convenience meals at school and on the go. Most of these choices rank low on the protein scale and are full of processed ingredients. With Pure Kidz Protein Power, you can be assured your child is getting the complete protein they need in order to build and repair muscle, manufacture hormones and maintain healthy skin, hair, and nails. Pure Kidz Protein Power mixes instantly in a shaker cup or can be made into a delicious smoothie.

Free of artificial flavors, sweetners, colors, wheat, egg, gluten, starch or yeast.

Microlactin™ is a trademark of Stolle Milk Biologics, Inc. and is exclusively marketed in the U.S. by Humanetics Corp. U.S. Patent No. 5,650,175.
