

Honeybee Propolis is a protective substance metabolized by bees. Records of its dietary and topical uses date back to the ancient Greek physician, Hippocrates (460-377 B.C.).[†]

SUGGESTED USAGE: As a dietary supplement take one (1) tablet twice daily, or as recommended by your healthcare practitioner. Tablets may be chewed or swallowed.

CAUTION: Consult your physician prior to using this product if you are under 18 years old, pregnant, nursing, or have any pre-existing medical conditions.

- Keep out of the reach of children
- Store in a cool, dry place
- Do not use if seal is broken
