WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for or diagnosed with, or have a family history of any medical condition, including (but not limited to) high blood pressure, heart problems, anxiety, or sleep disorders, or if you are using any prescription or over-the-counter drug(s), including blood thinners. Discontinue use 2 weeks prior to surgery. One serving of this product contains up to as much caffeine as 1 cup of coffee. Caffeine sensitive individuals may experience the following symptoms, including (but not limited to) restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate, or difficulty sleeping. Do not combine with other sources of caffeine or stimulants. Consult a medical doctor before starting any diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. **Do not use if this packaging has been tampered with.** Store in a cool, dry place (60°F to 80°F). **KEEP OUT OF REACH OF CHILDREN.**
