Who should take Desert Delight?

Desert Delight Aloe Vera Juice can benefit anyone looking to improve their digestive and immune health or to restore **balance** in their digestive system. Using aloe vera as a dietary supplement may help:

- Naturally soothe stomach stress
- Maintain natural balance of digestive bacteria
- Absorb proteins and nutrients more efficiently
- Support healthy lining in the gut

Why cleanse with Desert Delight?

Not all aloe vera juice is created equal! The healing benefits of aloe vera come from the presence of **polysaccharides** – which are frequently removed during the aloe extraction process. The ActivAloe™ used in Desert Delight guarantees retention of **10% total polysaccharides** by weight. No other Aloe Vera processor in the world can quantify and guarantee 10% polysaccharide retention!

Looking for a digestive system reboot?

Desert Delight Aloe Vera Juice is a suitable product for the Aerobic Life 10-Day Digestive Cleanse Program. For more tips and information on how to put together a cleanse program that works for you, visit: www.nbpure.com
