

New Chapter® booster powders are fermented in a proprietary 2-step method with clinically studied strains of probiotics and whole foods. The result: an easily digestible powder, with a nutrient-packed fermentate that delivers many beneficial factors.

FERMENTED ORGANIC TURMERIC

A long-revered source of phytonutrients, Turmeric is known to be foundational to daily health. Our proven, proprietary fermentation method delivers Turmeric in its truest form—for holistic brain, heart and inflammation support.*

SUGGESTED USE: Add approx. ½ teaspoon to your favorite milk, juice, smoothie, or mix into your favorite recipe. For ages 12 and up. Visit newchapter.com/recipes for more ideas!
