

5-in-1 formula with Vitamins, Minerals, Antioxidants, Amino Acids and Electrolytes.

OXYLENT®
DRINK OXYLENT BREATHE LIFE

Methyl Folate is the most biologically active form of folate!

- A more effective method of folate absorption
- Delivers improved bioavailability*
- Supports healthy brain, mood and memory functions*
- Supports cardiovascular health in both men & women†
- Supports cell growth and DNA synthesis†

SOD has amazing antioxidant power!

- Works synergistically with secondary antioxidants such as vitamins C, A & E[†]
- Natural antioxidant[†]
- Improves energy and vitality[†]
- Provides support against every day minor stresses and may give you a boost of energy[†]

Albion Mineral Chelates
offer better absorption
than common minerals.

- High bioavailability
- Scientifically and clinically tested to be safe, predictable, and effective
- TRAACS® testing method to ensure existence of metal amino acid chelate presence
- Provide less degradation to vitamins†
