Raw Coconut Water
Concentrate & Pink
Himalayan Salt
combined for ultimate
hydration!

Hydration is key for a healthy immune system. Studies show that sodium-infused coconut water holds the key to better hydration than water alone. Combining coconut water concentrate with Pink Himalayan Salt, supports your body's ability to stay hydrated and balanced.*

Amino Mineral Chelates
offer better absorption
than common minerals.

- High bioavailability
- Scientifically and clinically tested to be safe, predictable, and effective
- TRAACS® testing method to ensure existence of metal amino acid chelate presence
- Provide less degradation to vitamins*
