

Directions: Take two capsules daily or as directed by your healthcare practitioner.

ProstaCalm® provides select nutrients and herbal extracts to support the prostate gland.* It includes a blend of amino acids proven by independent clinical trials to promote prostate health and normal urinary function.* The saw palmetto supports proper urinary and prostate function by maintaining healthy testosterone metabolism.* Pygeum africanum has been shown to modulate prostaglandin and prolactin metabolism in the prostate.* Pumpkin seed extract provides essential fatty acids while nettle extract helps maintain healthy hormone metabolism in the prostate cells.* Additionally, this formula contains lycopene, a potent antioxidant found in high concentrations in healthy prostate tissue.* Zinc has been added for its known role in healthy prostatic function.*
