

SUPPORTS HEART, BRAIN AND HEALTHY INFLAMMATION RESPONSE

Turmeric has been shown to help maintain a healthy inflammation response, and is one of the most studied botanicals in modern science.* Turmeric supports healthy cognitive function such as working memory, which is the ability to retain and recall information during short-term tasks.* Turmeric has been clinically tested to help maintain healthy cholesterol levels already in a normal range, a process that supports cardiovascular health.* Turmeric Force™ has an improved, 100% vegetarian capsule. It keeps the herbs pure & potent and dissolves quickly so the herbs are rapidly available for absorption.
