

SuperiorSource®

Our Instant Dissolve MicroLingual® Tablets may be small but they are full potency! Typical tablets and capsules need to be swallowed and are inefficiently absorbed in the digestive system. MicroLingual® tablets dissolve immediately under the tongue heading straight into the body. Our proprietary hydrodrying process results in fewer inactive binders and fillers and a higher ratio of nutritional ingredients—hence the small size. They efficiently provide your body with the nutrients you need right now.*

Activated
B-12 1,000 mcg
B-6 & METHYLFOLATE

“Less is More”
Simplicity • Purity • Efficiency*

- No pills to swallow
- Place on or under the tongue
- Dissolves on contact
- GMO and preservative free
- Tablet color, taste and texture may vary slightly from batch to batch. Potency is not affected by these natural variances
