

Directions: Take one capsule before or during meals or as directed by your healthcare practitioner.

Tri-Flora Plus™ is a breakthrough combination probiotic formula providing a concentrated synergistic spectrum of *Saccharomyces boulardii* (SB), *Lactobacillus* and *Bifidobacterium*. NuMedica® has chosen the world-renowned Institut Rosell in bringing you the select strains in this formula. Tri-Flora Plus™ offers protection from pathogens with SB and at the same time protects the intestinal tract through the restoration of beneficial intestinal flora.* The three bacteria strains in this formula are proven to be resistant to gastric acidity and bile salts.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Keep out of reach of children.

Storage: Store refrigerated.

This Formula Meets or Exceeds cGMP Quality Standards.
