DIETARY SUPPLEMENT

7-KETO®

DHEA METABOLITE

50 MG • 60 TABLETS

Supplement Facts

Serving Size 2 Tablets

Serving Per Container 30

Amount Per Serving	
7-oxo-DHEA Acetate	100 mg†
†Daily Value not established.	

Other ingredients: microcrystalline cellulose, stearic acid, and magnesium stearate.

7-Keto® is a naturally occurring metabolite of DHEA, an abundant hormone in human blood. Human clinical trials have shown that 7-Keto increases metabolic rate and therefore, 7-Keto can help with maintenance of healthy weight when taken in conjunction with a healthy diet and exercise plan. As shown in preclinical research, 7-Keto is a potent inducer of thermogenic enzymes. 7-Keto is not converted to estrogens or androgens, a point of concern for many people.*

Suggested Use: 2 tablets twice daily.

NOTE: If you are pregnant, may become pregnant, or breast-feeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
