Açaí is a palm from the Amazonian rainforest. It has small, purple fruits that have been used by Brazilian natives for food and health for hundreds of years. The active constituents in Açaí are polyphenols and anthocyanins. Scientific studies have shown these compounds to be powerful antioxidants, benefiting the entire body by protecting the cells from free radicals.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
