INCREASES NATURAL KILLER CELL ACTIVITY*

NET WT. 1 OZ. (28.35 GRAMS)

Supplement Facts

Serving Size 1/4 Teaspoon (approx. 1 gram)

Servings Per Container 28

Amount Per Serving

AHCC® Proprietary Blend:	1g†
Shiitake Mycelia Extract, Carnauba Wax, Microcrystalline Cellulose, Dextrin, and <i>alpha</i> -Cyclodextrin.	

†Daily Value not established.

AHCC® is a proprietary compound produced by cultivation of shiitake mushroom mycelia, grown in rice bran extract. Considered a superfood supplement in Japan, AHCC has been researched extensively for its immune enhancement properties. Preliminary research indicates that AHCC may significantly increase Natural Killer (NK) Cell activity. There is also evidence to suggest that AHCC may increase macrophage activity, enhance cytokine production, and support the healthy functioning of the liver as well as act as an antioxidant.*

Do not use if either tamper-evident seal is broken or missing.
Keep out of the reach of children.

Suggested Use: ¼ teaspoon in a blended drink three times daily on an empty stomach.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Suitable for vegetarians. Contains no dairy, egg, soy or wheat. Contains no starch, preservatives, or artificial color, flavor or fragrance.

STORE IN A COOL, DRY PLACE.

AHCC® is a registered trademark of Amino Up Chemical Co., Sapporo, Japan.
