EPIQ™
MUSCLE STACK

EPIQ™ is a line of guaranteed clean, powerful, and effective supplements formulated for elite athletes who demand the highest quality for EPIQ™ performance.

EPIQ™ Guaranteed Supplements are:

- Free of banned substances (WADA)
- Free of artificial colors or dyes
- Free of harmful impurities
- Free of undeclared ingredients
- Developed with scientifically researched key ingredients
- Manufactured according to current Good Manufacturing Practices (cGMP) standards, as is required for all dietary supplements
- Made in the U.S.A. from international and domestic ingredients

EPIQ™ Muscle Stack - Ultimate Lean Muscle Hardening System

EPIQ™ MUSCLE STACK is a powerful 60-day system that combines two potent products, EPIQ™ TEST and EPIQ™ HARDENING, to deliver dramatic results. EPIQ™ TEST helps push your body's environment into a superior anabolic mode by naturally increasing testosterone levels without causing negative androgenic or estrogen-related effects. By adding EPIQ™ HARDENING into the equation it supports the process of training for rock-hard muscles through improvement of the body's nitric oxide status. This formula also provides anti-catabolic effects by decreasing cortisol levels. Most importantly, this system is guaranteed clean, free of harmful impurities, and is easy to stack at only two convenient pills a day!

EPIQ™ 60-DAY DOSING PROTOCOL

	DAY 1 TO DAY 30	DAY 31 TO DAY 60
EPIQ™ TEST	1 Caplet Daily	1 Caplet Daily
EPIQ™ HARDENING	—	1 Caplet Daily

DIRECTIONS: Take 1 caplet with 8 oz. of water once daily.
Read the entire label and follow directions provided.

EPIQ™ TEST – Powerful Testosterone Amplifier
The powerful formula is designed to work with your body to naturally increase testosterone production for that added edge. Unlike other test products where you have to take 4 to 6 pills a day, the potent, clean EPIQ™ TEST formula delivers results in just 1 pill a day.▲

What Makes the Formula EPIQ™?

- Delivers a precise dose of boron shown in human clinical research on men to increase free testosterone within the normal range and decrease estrogenic activity in just seven days.▲
- Natural anabolic results without the negative androgenic and estrogen-related side effects – NO PCT.
- Delivers one of the highest concentrated extracts of tribulus available (45% saponins).
- Formulated with other well-known ingredients such as stinging nettle leaf, maca root, fenugreek seed, and beta-sitosterol.
- No cycling on or off required.
- Just 1 pill a day, not 4 to 6 capsules like other test-boosting products.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, diagnosed with or have a family history of any medical condition or if you are using any prescription or over-the-counter drugs, including blood thinners. Consult a medical doctor before starting a diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). **KEEP OUT OF REACH OF CHILDREN.**

Not intended to treat low testosterone or sexual dysfunction.

EPIQ™ HARDENING - Lean Muscle
Hardening Formula

Rock-solid muscle is the goal of every hardcore athlete that wants to gain the edge. The ultra-clean formula delivers powerful results with just one caplet daily. EPIQ™ HARDENING enhances nitric oxide status for rock-hard muscles. The formula also provides anti-catabolic effects by decreasing cortisol levels.▲

What Makes the Formula EPIQ™?

- Clinical dose of Quercetin enhances nitric oxide status. This can increase blood flow while training for extreme muscle hardness.▲
- Clinical dose of *Withania somnifera* that provides anti-catabolic effects by decreasing cortisol levels (a hormone that is responsible for inhibiting lean muscle gains).▲
- Contains other support agents like Ursolic acid (100mg), and *Symplocos racemosa* bark making it the perfect, complete muscle hardening formula.
- Just 1 pill a day – other products can make you take up to 4 or more pills a day.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Discontinue use two weeks prior to surgery. Consult a medical doctor before use if you have been treated for, diagnosed with or have a family history of any medical condition, or if you are using any prescription or over-the-counter drugs, including blood thinners. Consult a medical doctor before starting a diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). **KEEP OUT OF REACH OF CHILDREN.**
