

DIRECTIONS FOR USE

Take one serving (4 capsules) of Recycle® daily to promote natural testosterone elevation. You may use a second serving daily for enhanced effect.

WARNING: DO NOT TAKE RECYCLE® IN EXCESS OF ITS RECOMMENDED DOSAGE. Recycle® is intended only for healthy adults over 18. Consult a licensed healthcare practitioner before use. Do not use if you are currently pregnant or nursing. Discontinue use immediately if you experience any adverse reactions.

Store in a cool, dry area away from direct sunlight.

DIETARY SUPPLEMENT WITH TRIBULUS ALATUS

HORMONAL HOMEOSTASIS

Recycle® supports elevated free testosterone and optimal hormonal balance through a myriad of ingredients, all included in their efficacious dosages.

By simultaneously bolstering natural production of Lutenizing Hormone, inhibiting estrogen by aiding in aromatase enzyme reduction, facilitating the blunting of SHBG (sex hormone binding globulin) to ensure maximal free testosterone levels, aiding in hindering DHT by preventing binding to the androgen receptor, facilitating lower cortisol levels, and fully rejuvenating the HPTA (Hypothalamus-Pituitary-Testicular Axis), Recycle® supports multiple endocrinological systems to provide complete hormonal homeostasis.†
