A Complete† Multivitamin for Women Experiencing Menopause Symptoms**

A woman's body going through menopause-related changes may benefit from added nutrient support. This formula helps provide the nutrients a woman's body needs.

This formula supports bone strength with Calcium, breast health with Vitamin D, heart health and energy metabolism with B Vitamins and healthy skin with Vitamins A, C and E.**

The Soy Isoflavones in this formula may help reduce daytime and nighttime hot flashes and help with mild mood changes.**

Menopause is a natural stage of life that all women will go through. Don't let menopause get in the way of life.
