EPIQ™ ISOLATE – Rapid & Sustained-Release Protein Isolate

When only an EPIQ™ performance will suffice, don't leave your muscle growth and recovery to a sugar and fat-laden protein formula. You need the best and that is EPIQ™ ISOLATE. The powerful formula contains only 100% isolate proteins including fast-acting whey protein isolates and sustained-release milk and casein protein isolates, which all are low in fat and contain zero grams of sugar. These highly bioavailable protein sources are easily digested and utilized by the body. Whether you're a hardcore elite athlete, weekend warrior or daily grinder in the gym, consuming a daily ultra-clean protein powder is vital to taking your performance to the next level.▲

What Makes the Formula EPIQ™ ?

- Ultra-clean protein from 100% whey, milk and casein isolates.
- Formulated with a digestive enzyme matrix.
- Delicious, great-tasting shake that is low in fat and sugar.
