DIRECTIONS: To assess your tolerance, follow the chart provided. Once your tolerance has been assessed, take 1 capsule with 8 oz. of water, 2 times daily 30-60 minutes before your two largest meals of the day (e.g. breakfast and lunch). Do not exceed 2 capsules in a 24-hour period. For best results use for 60 days in combination with diet & training.

Day 1 to Day 2	1 capsule, once daily
Day 3 & beyond	1 capsule, twice daily

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, diagnosed with or have a family history of any medical condition or if you are using any prescription or over-the-counter drugs, including blood thinners. One serving of this product contains up to as much caffeine as 2 cups of coffee. Caffeine sensitive individuals may experience the following symptoms, including (but not limited to), restlessness, nervousness, tremors, anxiety, increased heart rate or difficulty sleeping. Do not combine with other sources of caffeine or stimulants. Consult a medical doctor before starting a diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). **KEEP OUT OF REACH OF CHILDREN.**
