

**EPIQ™** is a line of guaranteed clean, powerful and effective supplements formulated for elite athletes who demand the highest quality for EPIQ™ performance.

#### **EPIQ™ Guaranteed Supplements are:**

- Free of banned substances (WADA)
- Free of artificial colors or dyes
- Free of harmful impurities
- Free of undeclared ingredients
- Developed with scientifically researched key ingredients
- Manufactured according to current Good Manufacturing Practices (cGMP) standards, as is required for all dietary supplements
- Made in the U.S.A. from international and domestic ingredients

#### **EPIQ™ HARDENING – Lean Muscle Hardening Formula**

Rock-solid muscle is the goal of every hardcore athlete that wants to gain the edge. The ultra-clean formula delivers powerful results with just 1 caplet daily. EPIQ™ HARDENING enhances nitric oxide status for rock-hard muscles. The formula provides anti-catabolic effects to help preserve your lean muscle mass.▲

#### **What Makes the Formula EPIQ™?**

- Clinical dose of Quercetin enhances nitric oxide status. This can increase bloodflow while training for extreme muscle hardness.▲
- Clinical dose of *Withania somnifera* that provides anti-catabolic effects by decreasing cortisol levels (a hormone that is responsible for inhibiting lean muscle gains).▲
- Contains other support agents like Ursolic acid (100mg), *Symplocos racemosa* bark and *Tulbaghia violacea* making it the perfect, complete muscle hardening formula.▲
- Just 1 pill a day – other products can make you take up to 4 or more pills a day.
