

EPIQ™ is a line of guaranteed clean, powerful and effective supplements formulated for elite athletes who demand the highest quality for EPIQ™ performance.

EPIQ™ Guaranteed Supplements are:

- Free of banned substances (WADA)
- Developed with scientifically researched key ingredients
- Free of artificial colors or dyes
- Manufactured according to current Good Manufacturing Practices (cGMP) standards, as is required for all dietary supplements
- Free of harmful impurities
- Made in the U.S.A. from international and domestic ingredients
- Free of undeclared ingredients

EPIQ™ STRENGTH – Concentrated Creatine Formula

EPIQ™ STRENGTH is all about making you bigger and stronger than ever. This concentrated formula uses a micro-dosing protocol to deliver a highly potent combination of Creatine HCl and the performance-enhancing Beta-alanine compound. Together, the formula rapidly increases muscular strength, size and endurance.▲

What Makes the Formula EPIQ™?

- Creatine HCl is a unique form of concentrated creatine that mixes easily, requires no loading and does not cause stomach bloat.
- CarnoSyn® Beta-alanine was added to the formula to increase muscle carnosine concentration. Together with Creatine HCl, this improves workout performance for better results.▲
- Great-tasting drink that mixes clean and does not contain any artificial color or dyes.

STACK WITH **EPIQ™ POWER** **EPIQ™ ISOLATE**
