Allergy ReLeaf® System

Allergy *ReLeaf*® System is an innovative solution developed by Medical Herbalist Daniel Gagnon. It's convenient and complete: all the botanicals, vitamins, and nutrients you need.*

Suggested Use:

Immediate Support: Take one Allertonic® softgel and one Quercetin *AllerReLeaf*® tablet with water every two to three hours until comfort is achieved or as directed by your health care professional. Noticeable comfort is attained within the first or second day.

Ongoing: Once comfort is attained, take one Allertonic® softgel and one Quercetin *AllerReLeaf*® tablet with water three times a day.

Proactive: Two months prior to seasonal challenges, take one Allertonic® softgel and one Quercetin *AllerReLeaf*® tablet with water twice a day.

Best results are achieved when these two supplements are taken together.
