product info

Read the entire label and follow the directions carefully prior to use.
DIRECTIONS: Take one (1) tablet in the morning, with or without food, or as recommended by your healthcare practitioner. Estrogen For Women should be taken cyclically: three weeks on and one week off, beginning on the 5th day of the menstrual cycle for premenopausal women, and every day for postmenopausal women.

Those taking any estrogenic product should include as part of their diet cruciferous vegetables such as broccoli, Brussels sprouts, cabbage, and/or cauliflower. Women should also use a progesterone cream when taking this product.

CAUTION: Do not take in case of pregnancy, lactation, or estrogen-dependent tumors.

Store tightly closed in a cool, dry place.

Non-GMO

WARNINGS:

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
